little Partners, Inc
Product Safety Statement

little Partners, Inc. manufactures The Learning Tower and The Playhouse Kit in China. little Partners is committed to providing safe, non toxic products to its' customers. Strict quality control guidelines, established by little Partners, are followed by the factories in China. These guidelines ensure that all products manufactured for little Partners will be safe for use by children. little Partners uses the USA testing laboratory, Bureau Veritas, to safety test the products they distribute. Bureau Vertias uses the ASTM F963-03, "Standard consumer safety specification for toy safety". little Partners' products meets all the requirements for ASTM F963-03 and ASTM F1148, Home Playground Equipment.
